## Newsletter, October 2021

**FFD**

- In this issue:
- Swim at Level 2
  - Pool news
  - LTS
  - Team Managers
  - Code of Conduct

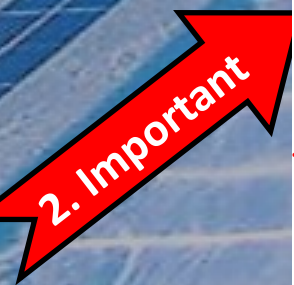

The pool is open! Yay!! Thank you for your understanding, support and for following Waterworld’s regulations. Space lane availability is still restricted and we need to provide a certain number of swimmers/ lane/hour. For this reason, all squads will follow the actual program during school holidays. Drop off / pick up only. In Term 4 we are starting at Fairfield College Pool and a maximum of 100 people gathering will be allowed. It is compulsory to scan the FFD QR Code (displayed on the window by the gate), wear a face mask when closer to other people, keep the 2m distance and most importantly if you or your children feel sick stay at home.

We will send further emails once the levels or the program are changing.

- Enrolments for Learn to Swim classes for Term 4 are open. Please, share it with your friends, hand it to the school offices and kindly ask them to publish it on their newsletters/social media.

Thank you!

*Parents with Under 12 swimmers: get Police Vetted for the TEAM MANAGER role. If you do not apply we jeopardise our junior team for competing in races .. Ask Ana at fairfieldentries@gmail.com for the procedure. The process takes @ 5 weeks and once is cleared is valid for 3 years. Our coaches cannot be Team Managers at the meets. All TM applicants have swimmers 13yo already or turning soon and they will not be able to help our Junior Team.*

Thank you  
to our Sponsors!

**The Code of Conduct it is compulsory for all squads and all ages. Must be read and signed.**

Bring the XLR8 meet flyer to discuss your entries with your coach. This is one of our two yearly meets and we would like to see as many swimmers as we can have. Entries via Fastlane SNZ from today. To open SNZ accounts and get help with the enrolling process, contact Ana at fairfieldentries@gmail.com. The parents cannot open accounts.

Note: For our meet to be hosted we need to be at Level 1.

***6. We are getting closer to our Fairfield XLR8 LC meet. In order to achieve a great racing day we will need all your support and help. The usual helpers are having different roles and we need new parents to step forward. Don't be shy to put your names down.***

**7. Volunteer parents:** When you enter a swimmer into a meet it is expected that a parent / caregiver is available to assist. This may be for time-keeping, team managers, marshals, kitchen, at the door, refreshments, announcers, or other roles. Do not worry if you do not know what to do, we will show you. There is an expectation from the club that all parents will volunteer to enable us to function as a great swim club. All the roles that you see around the pool are undertaken by volunteers. Please, contact us to confirm your availability for future events.

*To open SNZ accounts, get help with the enrolling process into meets, and swim caps enquiries contact our recorder, Ana: fairfieldentries@gmail.com*
